The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Burien Public Market Project - Phase 2 in Fiscal Year 2027. The entity to receive funding for this project is the City of Burien, located at 400 SW 152nd St, Suite 300, Burien, Washington, 98166

Funding will create a new year-round community space for a public market and include additional community amenities in Burien. Phase 2 of this funding will complete the construction of a permanent covered structure for all-weather operations of a public market, install lighting and construct multi-use community space. The project is an appropriate use of taxpayer funds because it would create jobs, address food insecurity, and drive economic growth in Burien.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

PRAMILA JAYAPAL
Member of Congress
