The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for Renewable Energy Home Heating Conversions in fiscal year 2022.

The entity to receive funding for this project is the City of Seattle located at 600 5th Ave, Seattle, WA 98104.

The funding would be used to advance the City of Seattle's goal to phase out heating oil in Seattle by 2028 by converting low-income households to energy-efficient electric heat pumps and providing weatherization. Heat pumps also provide air-conditioning which is important for vulnerable residents to be comfortable especially during extreme heat and wildfire smoke events.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

PRAMILA JAYAPAL
Member of Congress
