The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Burien Public Market Project in fiscal year 2026. The entity to receive funding for this project is the City of Burien, located at 400 SW 152nd St, Suite 300, Burien, WA 98166. The funding would be used to create a new year-round community space for a public market and include additional community amenities in Burien. The funding will complete a permanent covered structure for all-weather operations of a public market, install lighting and construct multi-use community space. The project is an appropriate use of taxpayer funds because it will create a vibrant, community-centered space that fosters economic opportunities for microbusinesses and entrepreneurs, provide fresh products and essential amenities to residents, and stimulates tourism and commerce.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

PRAMILA JAYAPAL  
Member of Congress
