

Congress of the United States

Washington, DC 20515

July 15, 2026

The Honorable Markwayne Mullin
Secretary
U.S. Department of Homeland Security
2707 Martin Luther King Jr. Ave., SE
Washington, DC 20528

The Honorable David Venturella
Acting Director
U.S. Immigration and Customs Enforcement
500 12th Street, SW
Washington, DC 20024

Dear Secretary Mullin and Acting Director Venturella:

We write to ensure accountability in the aftermath of two horrible deaths over the past week in Texas and Maine. On Tuesday, July 7, Lorenzo Salgado Araujo, the father of three U.S. citizens, and a 35-year resident of the United States, was driving to work when officers in an unmarked Immigration and Customs Enforcement (ICE) vehicle attempted to stop his van.¹ Reports indicate that Mr. Salgado Araujo was not even the actual target of ICE at the time; the ICE operation was targeting two Guatemalans, who were not among the men in the van.² ICE claims that Mr. Salgado Araujo “weaponized his vehicle” and an ICE agent shot him in response.³ Neither ICE nor the Department of Homeland Security (DHS) have provided any evidence to substantiate this claim.⁴ On July 13, just 6 days later, ICE fatally shot a 25-year-old Colombian national, Johan Sebastian Guerrero, in the head multiple times, even though he was not part of a targeted enforcement action.⁵ DHS claims that Mr. Guerrero merely attempted to flee in a vehicle, and that an ICE officer shot him out of concern for “public safety.”⁶ DHS does not allege the officer feared for his safety. Video footage shows officers handcuffing Mr. Guerrero and throwing him on the street, even after shooting him in the head.

Both of these incidents have created enormous fear and outrage in the community, and raise serious questions about the safety of community members, regardless of immigration status. DHS agents have shot at least 22 people just since the start of President Donald Trump’s second term.⁷ Six of these shootings have been fatal, resulting in the death of U.S. citizens and individuals with no criminal records.⁸

In several of these cases, DHS and its component agencies made unsubstantiated allegations about individuals its agents have shot and even killed, including Renée Good, Alex Pretti, Ruben Ray Martinez, Marimar Martinez, and Julio Sosa-Celis. DHS claimed that the shooting victims were attacking law enforcement officers, attempting to “weaponize” their vehicles, and even called them domestic terrorists.⁹ In each case, evidence later emerged that contradicted these claims, showing that DHS representatives made false statements and DHS agents acted inappropriately, resulting in several cases against DHS’s victims to be dismissed with prejudice.¹⁰ As such, Trump’s DHS has lost the trust of the American people and can no longer be considered a reliable source of facts.¹¹

After shooting and killing Mr. Salgado Araujo, ICE agents took into custody the three other men who were in the van with him: his brother, Victor Hugo Salgado Araujo, and two employees, Jose Trinidad Rojas Pliego and Daniel Tirado Pantoja.¹² All three of these men have independently disputed ICE’s account and stated that Mr. Salgado Araujo did not try to ram any agents with the van.¹³ Now, reports are emerging that these men—eyewitnesses to the shooting who can provide essential evidence to investigators—have been placed in removal proceedings.¹⁴ This is completely unacceptable.

Unfortunately, this is not the first time ICE has attempted to deport homicide witnesses in its custody. After a coroner ruled Geraldo Lunas Campos’ death at the ICE detention facility Camp East Montana a homicide, his family had to get a court order to ensure ICE did not deport the detained witnesses to the crime.¹⁵ One witness was moved and deported before the court got a chance to rule.¹⁶ It is essential that the same miscarriage of justice does not occur here.

We are calling for immediate independent investigations into both of these deaths, without interference. We are also calling on ICE to stop any removal proceedings against the witnesses to Mr. Salgado Araujo's killing for the duration of the investigation. Investigators must be given access to the testimony of Jose Trinidad Rojas Pliego, Daniel Tirado Pantoja, and Victor Hugo Salgado Araujo, and the witnesses should have no threat of retaliation or deportation to provide their testimony.

Similarly, DHS must not interfere with any investigations into the death of Mr. Guerrero. Far too many people, Americans and noncitizens alike, are dead as a result of DHS's reckless actions. There must be accountability and independent investigations.

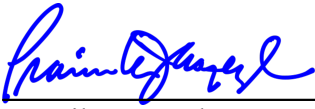

In order to ensure justice occurs in these cases, as well as ensuring that such incidents do not continue to happen, please provide answers to the following questions as soon as possible, but no later than July 30, 2026:

1. Will you commit to allowing all noncitizen witnesses to remain in the United States for the duration of the Federal Bureau of Investigations (FBI), DHS Office of Inspector General (OIG) and any state or local investigations into both of these deaths, so they may provide eyewitness testimony to investigators?
2. Will you commit to not interfering with any ongoing investigations, and to ensuring truly independent investigations into both of these cases, as well as completing investigations into the other ICE-related shootings that have occurred?
3. Will you commit to ensuring that all investigators, including those from the FBI, OIG, and any state and local offices have access to all witnesses and evidence related to both of these deaths?
4. Given the enormous amount of funding provided to ICE and CBP both last year and this year, will you commit to immediately providing body cameras to all ICE and CBP agents and ensuring that footage is made available in any ongoing investigations, including any footage of all victims of DHS-related fatal shootings?
5. Please provide a detailed breakdown, including providing copies of all training materials, on how much and what kind of training your officers undergo, as it relates to vehicle stops including when or how discharging weapons into vehicles is or is not permissible.

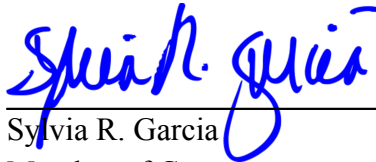

These fatal shootings by your agents demand real accountability and immediate action to ensure this violence does not continue. Failure to impose meaningful consequences sends a message to your Department that agents can act with impunity, risking public safety and people's lives. We call on you to take immediate corrective action.

Thank you for your prompt attention to this important matter.

Sincerely,
